

## Appendix 1:

# Students' Daily Booklet and Bible Lesson Character Tags

This appendix has been designed for creating a student booklet and two-sided character tags. Printing instructions for both can be found below.

The booklet is to be kept in the classroom for daily use and turned in at the end of each day. The students can use the check list as they visit the various stations.

The character tags can be printed and given away daily as a student reminder of that day's Bible lesson. Some camps like to have a carabiner clip or key ring they can add them to daily and then students take the whole set home at the end of the week. The tags are meant to be two-sided with the characters on the front, the Bible verse on the back and space for a hole at the top for a ring or clip.

### **Printing and assembly instructions for booklet:**

2. Set to two-sided printing.
