15.100: Introduction

The LCMS and its related entities strive to negotiate discounts and preferred pricing agreements when possible to benefit all LCMS employers. The sections that follow are a glimpse of some of these goods and services that are part of this program.

15.200: Group Purchasing Agreement

Group Purchasing Agreement, or GPA, is a service offered to all LCMS churches, schools and affiliated organizations. For 20 years, the program has offered substantial discounts on equipment, supplies and services by combining the purchasing power of more than 8,000 LCMS organizations. GPA focuses on products and services most used — office supplies, moving companies, printers/copiers, interactive flat panel displays (whiteboards), and background checks, just to name a few. The churchwide organization develops partnership agreements with preferred providers of high quality products and services in order to save significant dollars. When a contract is negotiated, all LCMS affiliated entities are included. Although price is a priority, quality and customer service are important considerations prior to finalizing the agreement.

Using the program is easy. Visit lcms.org/gpa and select a product category. That links you to the direct contact on the national account—a real person who can assist you. In order to receive the LCMS pricing, you may have to mention your LCMS affiliation; some may ask you to complete a form.

Because the contracts depend upon the volume of business generated through GPA, participation is important. Everyone benefits from our strength in numbers.

15.300: Preferred Pricing Agreement

Concordia Plans has negotiated preferential pricing agreements with two nationwide payroll and human resource organizations to help ministries with their payroll and human resource system needs. Both Paycor and Paychex provide multiple solution options to assist with everything from basic payroll and tax services to a full and complete HRIS system and offer their services at a significantly reduced rate (generally 35-50% off). Additional information on the payroll providers can be found at concordiaplans.org/our-solutions/payroll-services or by contacting your Account Manager or ministrysolutions@concordiaplans.org.

Concordia Plans has obtained access to a nationally recognized human resource consulting service that can provide ministries with information and resources they need to stay compliant and on top of human resource best practice and federal and state employment law changes. HR Services provides ministries with access to an extensive online platform, assistance with handbooks and custom documents, and access to a call center staffed by dedicated certified HR professionals. Additional information on HR Services can be found at concordiaplans.org/our-solutions/humanresources-services or by contacting your Account Manager or ministrysolutions@concordiaplans.org.
