CHRIST IS HERE

CHRIST IS HERE

Christ's birth, life, death and resurrection are the salvation of the LORD — the marvelous things He has done that are made known in all the earth.

This psalm is rightly associated with Christmas and is bursting with joy over the mighty redemption that the Lord has wrought for His people. Jesus' name means "the Lord saves" (MATT. 1:21), and this psalm is all about praising God for how He has saved us in the incarnation, life, death and resurrection of His Son. God's salvation, righteousness, steadfast love and faithfulness are all revealed in the incarnation of Christ. The language of the psalm recalls God's mighty act of deliverance in the Exodus and applies it to the people's return from exile — both from the land and from Eden. The ultimate fulfillment of all of God's deliverances are "yes" and "amen" in Jesus. The songs of God's people are not to be empty praise but a praise that tells who God is and what He has done. The theme of our songs will always be God's salvation in Christ. All nations and all of creation are to praise God for what He has done for the world in His Son.

PSALM

98

O Lord, You have made Your salvation known to us and revealed Your righteousness to the nations. Once You were judged by the Gentiles. When You come again to judge, be merciful to those for whose sake You were judged; for You live and reign with the Father and the Holy Spirit, one God, now and forever. Amen.
