STRONG FAITH, FERVENT LOVE:

Providing Physical and Spiritual Care in the Wake of Disaster

The Lutheran Church—Missouri Synod's (LCMS) Disaster Response ministry responds to immediate and long-term needs following natural and man-made disasters. Working through LCMS districts and congregations as well as with international Lutheran churches and other partners, LCMS Disaster Response builds capacity of the church's partners to respond to needs with Christian care. The ministry reaches out to LCMS congregations and their communities with services that include on-site assessment, emergency relief and development grants, pastoral care for LCMS church workers and members, and other resources.
