PALS Gatherings

Set Apart to Serve

“Mutually Encouraged in Christ” Facilitator’s Conference 2024

On June 25th and 26th, 32 of our PALS facilitators will gather in St. Louis under our conference theme “Mutually Encouraged in Christ”.

Please keep these facilitators in your prayers for safe travels and a blessed time of learning, sharing, and being mutually encouraged in Christ as they begin or continue to support and encourage new pastors, their wives and families in their transition from seminary to parish life.

NEXT STEPS ON THE JOURNEY!

FEAR NOT, FOR I AM WITH YOU; BE NOT DISMAYED, FOR I AM YOUR GOD; I WILL STRENGTHEN YOU, I WILL HELP YOU, I WILL UPHOLD YOU WITH MY RIGHTEOUS RIGHT HAND. *Isaiah 41:10*

As call days and placement services and graduations have all taken place for our church work candidates, the next steps in the journey for them and their families will be filled with challenges and celebrations as they transition from college and seminary to church or school or wherever the Lord is leading them to serve. What a privilege and joy it is for our congregations, our districts, and our synod (especially here in the PALS office!) to be on that journey with them, walking with them through the challenges and celebrations that are coming their way.

As we all take this journey under the Lord's grace and mercy, we know that our Lord was willing to take his unique and special journey - becoming flesh and dwelling among us. He knows the challenges and celebrations that are part of our lives every day. And He was willing to go through the extreme challenges of betrayal and denial, mockings and beatings, forsakenness and death to pay the penalty for our sin. But he rose to life again, conquering sin and Satan and death, and bringing about an incredible Easter celebration that we continue to celebrate in our daily lives and in our churches as we gather to receive His gifts each Lord's Day.

As we continue to live our lives as baptized children of God, we have challenges before us, but we also have the joy of Jesus on this journey. Through it all, we await the greatest and grandest

of celebrations yet to come when the Lord returns in glory. On that day, the challenges of this world will be gone forever, and the celebration of the marriage feast of the Lamb will continue without end. God's continued blessings be to you and our church work graduates as we together take the next steps on this journey.

“Lord God, You have called Your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage, not knowing where we go but only that Your hand is leading us and Your love supporting us; through Jesus Christ, our Lord. Amen.” (LSB prayer 193)

Yours in our crucified and risen, Lord and Savior Jesus,

Jonathan

Set Apart to Serve

SAS and CPH have teamed together to produce a marvelous church worker formation and recruitment curriculum, written age-specific for early childhood through adult. This curriculum focuses on Christ and His Church, the eight LCMS church work vocations, how we care for our church workers, and how we develop a culture of church work formation and recruitment in our congregations and schools. The free curriculum is funded by LCEF, the Concordia universities, and CPH, offered first to our LCMS schools, and soon to all our congregations. See <https://www.cph.org/set-apart-to-serve> .
