

## Travel Assistance

We are pleased to help those who wish to come to WITNESS who have to travel longer distances, especially those for whom flying is the only option or who will require an overnight stay. While we cannot offer travel assistance to those who are clearly within a day's drive, and as we only have a fixed amount available for scholarships, we are able to offer the following minimum assistance for travel to the following paid registrants.

### TIER 1 (750-1,500 miles)

Min. Assistance: \$50 (approximately 50 scholarships available)

### TIER 2 (1,500-plus miles)

Min. Assistance: \$150 (approximately 50 scholarships available)

Applicants may include either individuals or organizations (on behalf of paying registrants). Assistance to individuals will require a receipt and, depending on the type of travel, may be paid as a reimbursement after the conference. Organizations that qualify for assistance are congregations, districts, Synod RSOs or mission societies incorporated as an IRS 501(c) (3).

The application period will close Nov. 27, 2018. Following the review of all applications, the WITNESS conference committee will notify all recipients of their awarded assistance no later than Dec. 1 with further detailed instructions. Depending on the number of requests, the help awarded may actually be for more than the minimum amounts listed above.

Please fill out the application information on the back of this form and send to:
