**International Center (Synod Office)**
The international office of the Synod is located in St. Louis, Missouri. The church body comprises more than 6,000 individual congregations walking together in a shared mission: vigorously to make known the love of Christ by word and deed within our churches, communities and the world. This singular goal is accomplished by sharing the load. With God’s help and blessing we do together what we cannot do alone.

The support received from congregations through the district is used to provide services that are best rendered through a single office, such as mission education; congregational programs for Sunday schools, parochial schools and vacation Bible schools; evangelism; youth programs; training of professional church workers; international information services; national social services; retirement and insurance programs; and pooled-investment services for trusts, annuities and other planned-giving instruments.

17.110: 
**The Lutheran Annual**
The *The Lutheran Annual* is the official roster of members of The Lutheran Church—Missouri Synod and also includes listings of the agencies of the Synod and other organizations associated with the work of the Synod. The information presented in the Annual contains the latest names, addresses and numbers for churches, educational facilities, pastors, teachers and DCEs. The Annual is published yearly by Concordia Publishing House and can be obtained by calling CPH at 800-325-3040 or visiting cph.org.

17.120: 
**LCMS Handbook**
The *Handbook* contains the Constitution, Bylaws and Articles of Incorporation of The Lutheran Church—Missouri Synod. Revised editions of the *Handbook* are published triennially by the LCMS Commission on Constitutional Matters following Synod conventions. The current edition of the *Handbook* can be accessed online at lcms.org/bod or you may order a bound copy by contacting Concordia Publishing House at 800-325-3040.

17.130: 
**International Center Budget**
The unrestricted budget is developed based on district pledges for the work we do together, and the restricted budget is based on anticipated income given directly for items such as national and international missions, college and seminary support and KFUO radio. Annual Budget Summaries are available at lcms.org/bod.

17.140: 
**Communication Services**
LCMS Communications serves the Synod’s congregations by telling the stories of our working and walking together as Lutherans, conveying the endless opportunities and achievements that are gifts from God.

These efforts involve “partnerships” of many kinds, as we work closely with the Office of the President and the Offices of National and International Mission, Pastoral Education, Church Relations, districts and many other LCMS entities.

We help the Synod — all of us together — get the word out strategically about our ministries using all venues at our disposal, including print, Web, video, photography, public and media relations, social media and blogs.

As a department, we strive to educate, inform, interpret and highlight our Synod’s purpose, program and positions to promote increased awareness and understanding of the mission and ministry of our church.

**The Lutheran Witness**
The Synod’s official magazine, *The Lutheran Witness*, features stories and commentaries that interpret the contemporary world from a Lutheran Christian perspective. It seeks to bring Lutheran thought and a Lutheran voice to topics like faith, culture, family, and everything in between.

*The Lutheran Witness* offers synodical news, reports from Lutherans around the world, feature articles, columns, Q&As, a monthly Bible study and much more. *The Lutheran Witness* is published 11 times a year — monthly, with a combined June/July issue.

17.200:
Synod Membership
Member congregations of the Synod have the responsibility of keeping informed about what it means to be a member of the Synod. This responsibility is similar to the individual’s membership in the congregation.

Congregations and church groups seeking information regarding Synod’s national and international work in order to provide designated gifts are encouraged to either contact the staff in LCMS Mission Advancement at 888-930-4438 or mission.advancement@lcms.org. To give online go to lcms.org and click on Make a Gift in the menu bar. Giving opportunities are available for national and international work and missionaries, pastoral formation care, projects and ministries, as well as for special campaigns.

These catalogs give a congregation the ability to select partnership opportunities that most closely match their vision for spreading the Gospel. Opportunities within the catalogs change over time and are kept current by Mission Advancement.

The finances of the national office, including the annual budget summaries for spending designated and undesignated offerings received as well as the annual audited financial statements for the LCMS, are made publicly available at lcms.org/bod. This section also includes the minutes of the meetings of the Board of Directors, the Handbook of Synod, and important governance policies.

17.210:
Congregation Statistics Report
Each year The Lutheran Church — Missouri Synod asks each congregation to file a Congregation Statistics Report for the preceding year. This report is a vital source of information for planning and oversight of current and future ministry efforts by the Synod and its districts. Timely, accurate submission of data is very important.

Information gained from use of this data is used by Lutheran Church Extension Fund to evaluate loan requests. Concordia Plan Services uses the information in compiling data for the online compensation tools for pastors, church workers and teachers. Districts also use demographic studies that incorporate this data when assisting congregations in planning local ministries.

Because of the value of this data and because it is an expectation of membership (Bylaw 1.3.4), treasurers are encouraged to assist the congregation in submitting this report.

Please complete the enclosed form.

Due Date: February 28, 2020

INSTRUCTIONS:

Complete numbers 1 through 22 on the following page.

This report is a vital source of information for planning and action by the Synod and its districts. Information gained from use of this data is now being used by the Lutheran Church Extension Fund committee to evaluate loan requests. Districts also use demographic studies which incorporate this data when assisting congregations in planning local ministry.

1 - Fill in the total Baptized Membership as of December 31st. This is not a sum of questions 2a and 2b. It is the total number of Baptized Members in your congregation, including those who are also confirmed members.

2 - Enter the number of baptisms that took place during the past year: infants/children on line a, and adults on line b.

3 - Fill in the total Confirmed Membership as of December 31st. This is not a sum of questions 4a through 4m. It is the total number of Baptized Members in your congregation that are confirmed.

4 - Enter the number of gains (4a-4f) or losses (4g-4m) of confirmed members in each category that occurred by the end of the year.

5 - Enter the average weekend worship attendance. Do not include Lenten, Advent, or other festival services. Of the number entered in line A, please enter the number of people in attendance on a typical Sunday who are NOT members (baptized or confirmed) of your congregation. In addition to visitors, please also include regular attendees who are not yet members and even those who are members of another LCMS congregation.

6 - Enter the last Vacation Bible School enrollment figures.

7-17 - Enter the enrollment on the appropriate line for each age or class group. A special class group is for people with physical or developmental disabilities as stated in the Lutheran Annual. This does not include enrollment of pre-schools, elementary, or high schools associated with the congregation.

18 - Enter the average age of all confirmed members in your congregation. If you do not know the exact ages of your members, please estimate as accurately as possible.

19 - Enter the average age of all baptized (including confirmed) members of your congregation. Since this will likely include young children, it is expected the number will be lower than the average age of all confirmed members. If you do not know the exact ages of your members, please estimate as accurately as possible.

20 - For each group listed, please enter the percent of baptized (including confirmed) members of your congregation of that age. If possible, calculate each percentage by counting the total number of members in an age group, and then dividing that by the total number of members in the congregation. If you do not know the exact ages of your members, please estimate as accurately as possible. Please ensure the total of all numbers entered adds to 100%.

21-22 - Enter the amount rounded to the nearest dollar.

21a Total Contributions - Enter the total of contributions (weekly offerings) including building funds and other special contributions which include gifts for missions and ministries of the congregation, the District or Synod. This income excludes subsidy, dividends/interest, rent/fees, etc.

22a AT-HOME Expenses - Enter the sum of all funds spent for salaries, benefits, operating expenses, capital expenses, debt service, school/preschool expenses, registrations, subscriptions (including Lutheran Witness), payments for health and pension programs, conference and convention registrations, etc.

22b AT-LARGE District/Synod Contributions - Enter the total amount disbursed to your District for District/Synod budget. Usually this is the amount given to a pledge of support for district and national work of the church. Doesn’t include gifts for use of a specific ministry.

22c Other AT-LARGE Contributions - Enter the total amount disbursed for other purposes, i.e.; World Relief, colleges/seminaries, Wheat Ridge, local ministries beyond the congregation, etc.

Return the completed original form by February 28, 2020 to The LCMS - OFFICE OF ROSTERS AND STATISTICS, CONGREGATION STATISTICS, 1333 S KIRKWOOD RD, ST LOUIS MO 63122-7295

*Total membership includes all baptized and confirmed members.
See Exhibit 17-A(1) for instructions for filing this report which is due February 28. Congregation statistics may be entered online using login information received from LCMS Rosters and Statistics department in January. Paper versions of the form are available upon request. Please direct questions to roster.stats@lcms.org or 888-843-5267.

17.212: 
**Treasurer’s Responsibilities**
The congregation treasurer is usually responsible for completing the Financial Information section of this report. A sample of that section of the current report form is attached (see Exhibit 17-A(2)). All figures are to be rounded to the nearest dollar. The following instructions are provided for completion of the financial data. These instructions are for the current form (Exhibit 17-A(2)) and may be revised in succeeding years.

**Item 21. Receipts during the last fiscal year**

*Item 21a, Total Contributions:*
Enter the total of contributions (weekly offerings) including building funds and other special contributions. Special contributions include gifts for missions and ministries of the congregation, the district or Synod. The key word is “contributions,” that is, this income excludes subsidy, fees, rental, etc.

*Item 21b, Total Other Income:*
Enter the total other income the congregation received from subsidy, dividends or interest, rents, fees and other receipts. Some examples would include school tuition (day school or preschool), subscriptions, loans, endowment funds, etc.

**Item 22. Disbursements during the past fiscal year**

*Item 22a, Total At-Home Expenses:*
Enter total expenditures for work “at home.” Amounts expended for salaries, benefits, operating expenses, capital expenditures, debt service, school/preschool expenses, registrations, subscriptions, payments for health and pension programs, conference and convention registrations, etc., are all included in this line item even though the remittance may have been made to the district or the Synod.

*Item 22b, At-Large District/Synod Contributions:*
This is the amount contributed to a district for the unrestricted work of the district and Synod. Usually this is the amount given to a pledge of support for district and national work of the church. It does not include gifts for use of a specific ministry such as Together in Missions (TIM), Lutheran World Relief and similar gifts.

*Item 22c, Other At-Large Contributions:*
This is the amount contributed by the congregation to missions and ministries outside of its “work at home”. Other than contributions to the general fund of the district, it may include TIM, Lutheran World Relief, social service agencies, Lutheran Braille Workers, local services to disadvantaged or homeless persons, etc. Again, the key word is “contributions.” These may include gifts from the budget, special offerings, door offerings, etc.

**17.213: Information Sources**
The suggested accounting system included in Chapter 21 provides a ready source for all information required on this report, Exhibit 17-A(2). Most computerized accounting systems will provide this data with a minimum effort.

Treasurers working with a single-entry accounting system may wish to create and keep an informal record of at-large expenditures to facilitate completing the report.

**17.300: District Offices**
Every district of the Synod operates a district office and employs staff who provide and assist congregations and schools as they carry out their functions and ministries. The areas of service and the staff person normally responsible to assist the congregation in that area are listed in the chart on the next page.

**17.310: District Budget**
The district budget is based on the pledges of the congregations and may include other support and revenue. A summary of your district program is available through the district office.

**17.320: Remittances to District**
The treasurer of the congregation shall make a regular payment to the district for various funds the congregation receives. These funds consist of mission funds, gifts designated for a particular entity of the Synod, gifts identified for a particular agency or organization outside the Synod and payments for loans granted by the district Church Extension Fund.

**17.330: Remittance Advice Forms**
The district treasurer will supply the church treasurer with remittance forms and instructions for completing them. These forms should accompany each check mailed to the district office.

**17.340: Remitting Funds Electronically**
Congregations may elect to remit funds electronically to the district through the use of the Lutheran Church Extension Fund (LCEF) StewardAccount® or other electronic transfer tools. This includes setting up recurring donations (payments) to aid in consistency and less postage. More information is available on the LCEF and district website or by calling them.
