Jesus Christ Is Our True Savior

A hymn for young children in celebration of the 2021-2022 National Lutheran Schools Week
Based on the five daily NLSW themes:
Christ, Children, Church, Creation, and Community

Christ 1 Jesus Christ is our true Savior; All creation sings His praise.
Children 2 Jesus once said to His students, “Let the children come to Me.”
Church 3 In the Church we hear God’s message Urging us to run our race.
Creation 4 “Jesus is Lord of Creation!” All the stars above proclaim.

He took on salvation’s labor, To Him children aren’t a nuisance;
Jesus’ pow’r on earth, in heaven, Through each sermon, hymn, and pas-sage,

Bear-ing all our sins away. We learn of God’s law and grace.
Heaven belongs to such as these! We, with all the saints, acclaim!

Community
5 Jesus, help us serve our neighbor And, like You, supply their needs; Showing all God’s love and favor Here, and where Your Spirit leads.

Doxology
6 Father, Son, and Holy Spirit, Help us speak Your Word of grace So that all the world may hear it And loud alleluias raise! Amen.
