Florida-Georgia District
Chart A - Congregations and Total Membership

Chart B - Congregations and Number of Parish Pastors
* Chart A - The Florida-Georgia District was growing steadily in all statistics until the mid-1990s.

* Chart A - While the numbers of congregations and pastors have continued to increase, membership has been declining in the 2000s.

* Chart C - Giving in the Florida-Georgia District has roughly followed the membership trends, however, there is a noticeable surge in giving in the early 2000s even when membership was in decline.
