

What To Do About Coronavirus?

▶ Addressing the spread of COVID-19, the flu and other contagions

 **Pray:** Spare Your people, O Lord! Preserve us from this and every illness. Give healing and strength to those who are sick, protect those who care for them, and grant us steady minds and calm hearts in the face of fear. You have borne our infirmities in this human flesh and purchased us with Your own blood. Keep us in this faith and embolden us in love; through Jesus Christ, our Lord. Amen.

 **Keep Gathering:** It should be our aim to continue to hold regular, physical services while possible. Come if you are well; stay home if you are sick or at increased risk.

 **Keep in Touch:** Organize and know how you will communicate as a congregation, especially if an outbreak occurs in your area and event plans must be changed.

 **Take Care:** Wise personal hygiene practices and simple precautions can help limit the spread of infection.

 **Take Courage:** “God is our refuge and strength, a very present help in trouble” (Ps. 46:1). In life we are comforted by the Lord’s precious and very great promises; in death, we await the resurrection of the body and life everlasting.
