

# MINISTRY (JOB) SEARCHING SITES

Below is a list of websites that advertise ministry opportunities. The LCMS does not endorse these sites, nor does Synod necessarily agree with anything that is espoused on the websites. They are provided for the specialized pastoral minister who is seeking a ministry opportunity.

Those in Specialized Pastoral Ministry (SPM) or seeking a vocation in SPM are encouraged to contact their district president so that the president knows the intentions and needs of the minister.

If one finds a ministry opportunity in a non-LCMS or secular institution, be advised that a divine call may be available through the Board for National Mission. For more information, contact the Office of SPM at [spm@lcms.org](mailto:spm@lcms.org) or read about the steps in the call process at [lcms.org/spm](http://lcms.org/spm).
