The collegiate campus is an ever-expanding mission field and college age students have more opportunities in their vocations as students to bear witness to their faith in Jesus Christ than ever before. This conference will provide a timely opportunity for them to receive a sound theological framework and the practical help necessary to do just that. Participants will gain a familiarity with the Every One His Witness Lutheran evangelism program and will also have opportunities to explore witnessing in various areas of most interest to them in their collegiate contexts.
