The Indiana District

Chart C - Membership and Giving (adjusted for inflation)

Analysis of the Indiana District Charts

* All Charts - Statistically, the Indiana District has held steady over the past few decades, though recently there has been an overall decline in most measures.

* Chart B - One exception to this is the number of parish pastors. Not only has the number gradually increased, but it has remained in-line with the number of congregations.

* Chart B - The Indiana District is one of the only Districts to currently have more parish pastors than total congregations.
